

SPRING BREAK = AWESOME MAKER WEEK

Sessions are open to students ages 10-15 and will be held Monday through Friday from 1—3pm at the Canastota Public Library.

Sign Up for one day or the whole week.

Call the library at 315-697-7030 to sign up!

Be Awesome

Monday, April 23: Awesome Engineering: In teams, participants will engineer a catapult and compete to see which catapult works best!

Tuesday, April 24: Awesome Desserts: Compete in a Teen Iron Chef competition. Each team of three has an hour to create their dessert. Each dessert will be judged on creativity, presentation and taste..

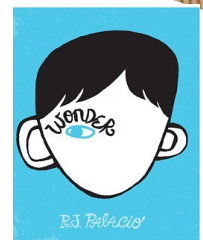

Wednesday, April 25: Awesome Robots: Create, program and test a bumper car robot that your team makes with a LEGO NXT Robotic kit.

Thursday, April 26: Awesome Creativity: Join us for three separate craft tables where participants can create drink coasters, duct tape wallets and Paracord Survival Bracelets.

Friday, April 27: Awesome Movie: We'll be showing the movie, Wonder on Friday. The movie was inspired by a book of the same name.

These sessions are a cooperative effort of

The Canastota Recreation Commission and the Canastota Public Library.
