Dear Landlord:

This letter is a friendly reminder that the Canastota Housing Authority administers the Department of HUD Section 8 Housing Choice Voucher Program which provides rental assistance to low-income families within the Village of Canastota and Township of Lenox.

In case you were not aware, our office has moved to the above referenced location, and we are now offering vouchers for rental assistance with **little to no wait** on a waiting list.

Accordingly, if you know of someone who is struggling to pay their rent, please pass on our information so they may call to schedule an appointment.

Or, in the alternative, if you have any available units for rent, please contact the office so I may pass on that information to those who have already received a voucher and are looking for suitable housing.

Thank you for your anticipated cooperation.

Sincerely,

Melinda J. Parmeter
